

ICT ENABLED PUBLIC SERVICES FOR MIGRATION

IMMERSE: A personalized system addressing the challenges of migrant integration

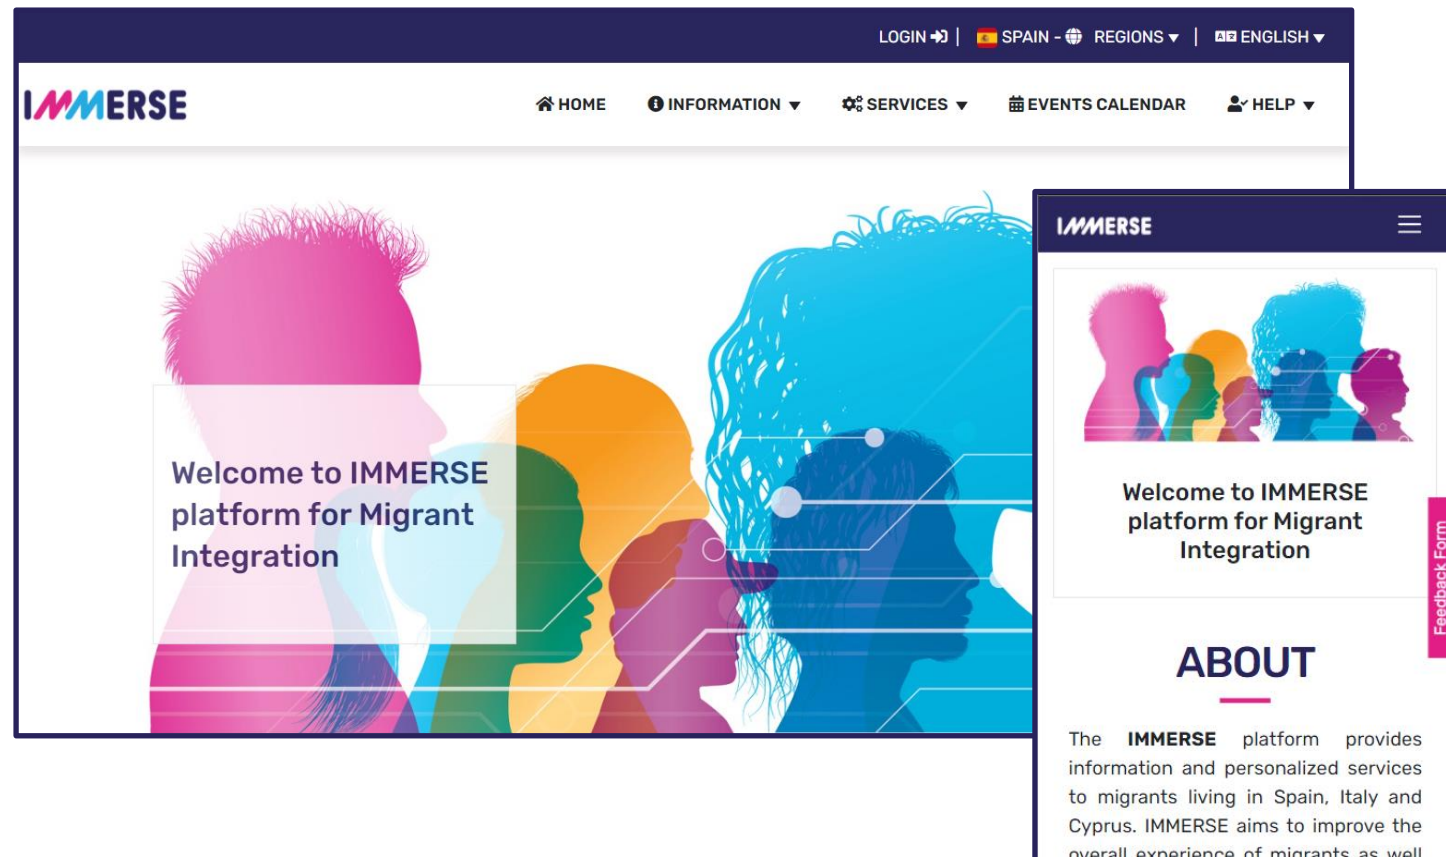

Dimos Ntioudis (CERTH)

This project has received funding from the European Union's Horizon 2020 Research and Innovation Programme under Grant Agreement No 822380.

What is IMMERSE?

- **IMMERSE** is a multilingual web-based platform that provides **information** and **personalized services** to migrants living in *Italy*, *Spain* and *Cyprus*
- It aims to improve the overall experience of migrants as well as ease their access to vital parts of everyday life such as **employment**, **education**, **healthcare** etc.

User Roles

- **IMMERSE** supports 3 different user roles to choose from:

Are you a Service Provider?	Are you a Migrant?	Are you a Volunteer?
<ul style="list-style-type: none">✓ Create your professional profile✓ Select the services that fit your area of expertise✓ Register and manage your posts easily and quickly✓ Review your applicants and get in contact with them <p data-bbox="402 1125 907 1173">Register</p>	<ul style="list-style-type: none">✓ Create your personal profile and receive personalized recommendations✓ Search for information around your needs✓ Search for opportunities to integrate in your host country✓ Save your favorite posts to review them later✓ Create search alerts and receive informative emails while you are offline✓ Get in contact with service providers and advisors <p data-bbox="1024 1125 1528 1173">Register</p>	<ul style="list-style-type: none">✓ Build your personal profile✓ Search for Volunteering opportunities to contribute✓ Let service providers contact you for opportunities✓ Work alongside with service providers, NGOs and other professional and make positive impact <p data-bbox="1646 1125 2150 1173">Register</p>

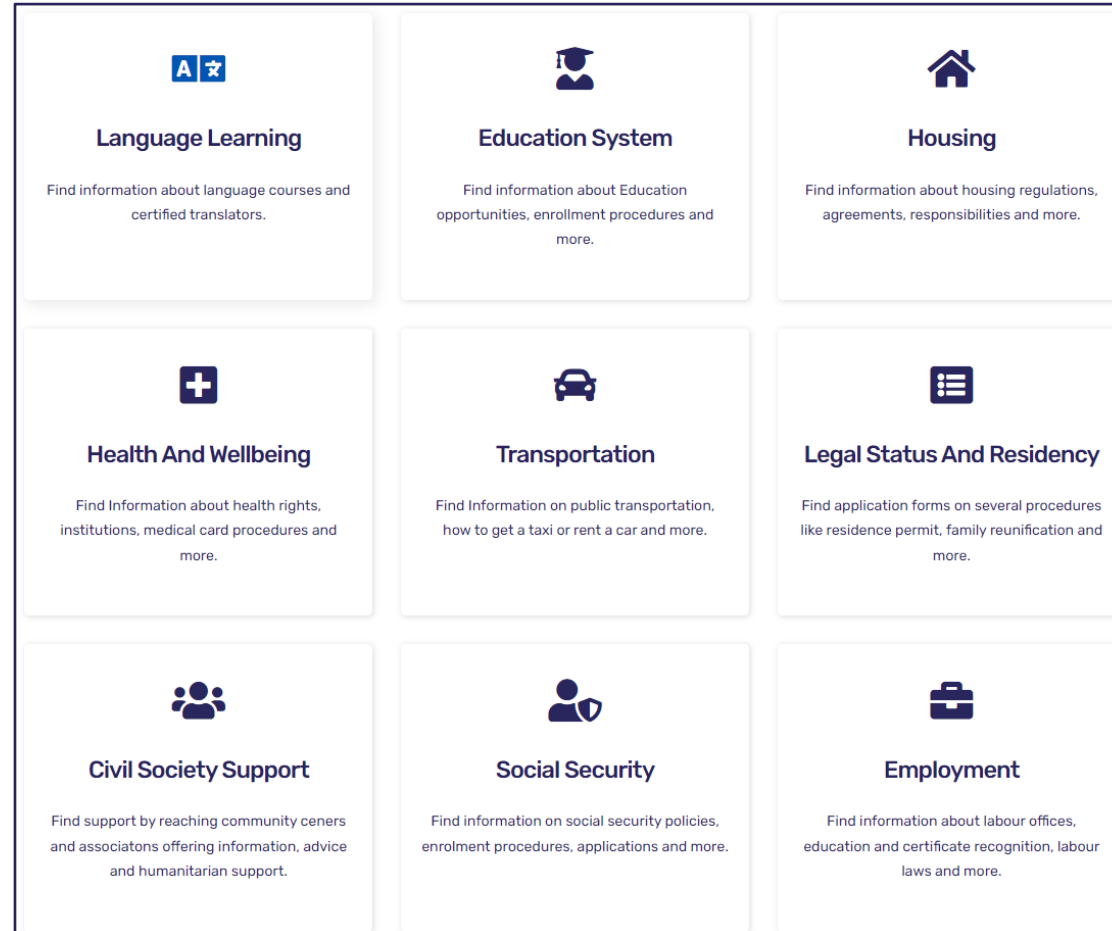

Services

- **IMMERSE** facilitates a set of services where users can find opportunities and interact by applying to posts provided by service providers, search for frequently asked questions or submit new questions
